This fraternity is different. The challenge to present ourselves without sounding cliché continues. Where else can you find a group of men who stand up for their values, approach the world passionately and lovingly, and regularly practice respect and healthy masculinity?

Virtue. We hold the profound, humanitarian belief that our lives have a purpose. **Diligence.** We strive for excellence in all endeavors. **Brotherly Love.** Unconditional trust and support. **Balanced men.** We prioritize health and academics, remaining substance & hazing free.

Words from our Newest President

by Aiden Christy, President

My name is Aiden Christy and I am thrilled to be serving as Montana Beta's President for the next year! I couldn't be more thrilled with the executive team the chapter shaped for me to work with over the course of our terms. I have already been incredibly impressed by their drive, creativity, and love for SigEp. I expect to have an incredibly easy job managing this team and the chapter going forward, a very welcome change from the marathon that is Vice President of Programming. After our transition retreat we have formulated many ideas and goals and I am incredibly proud of and excited for the vision we have crafted for the next year. You can expect to see us continue our momentum in recruitment looking to hit an 80 man chapter by November 2025. We also have concrete plans to develop a larger presence on campus with a target of working with Campus Housing and the Associated Students of MSU. Along with that in sight of Conclave coming up this summer we are confident in our ability to bring home a coveted Buchanan Cup from Tampa. Overall I would recommend that you keep your eyes on Montana Beta and all the things we will accomplish this year. Hope everyone is finding success and happiness in all they do! Purple and Red till the day I'm dead.

State of the Chapter

by Ander Streuli, Former President

This last year, our chapter has seen some amazing growth in our membership, and during my term as president I was able to see how passionate many of our new brothers were about giving back to the chapter and being involved. I am very excited to see how the next executive team builds on the success of the outgoing team by continuing to improve our recruitment numbers, furthering our connections with FSL at MSU, and by seeking out new and exciting ways to give back to our community!

See you next year!
